## MINUTES OF MEETING

The 10<sup>th</sup> meeting of State Level Technical Committee (SLTC) was held on 10.08.2018 under chairmanship of Principal Secretary, Urban Development and Housing Department, Government of Bihar for approval of projects under AMRUT. Following members of committee/ their representatives were present (Copy of attendance sheet attached as Annexure – A):

1. Shri Chaitanya Prasad, Principal Secretary, UD&HD, Bihar
2. Shri Bhawani Nandan, Chief Engineer, UD&HD, Bihar
3. Shri Arvind Kumar, Chief Engineer, BRJP
4. Shri Sudhir Kumar Das, Chief Engineer, RCD, Patna
5. Shri Manoj Kumar Verma, Joint Secretary, Finance Dept., Bihar
6. Shri Chandragupta, Dy. Director-3, Dam Safety Cell, WRD, Patna
7. Shri Veerendra Kumar Choudhary, Electrical Supertending Engineer (O&M), SBPDCL

### Special Invitees

1. Shri Rajesh Meena, MD, BRJP
2. Dr. Suresh Kumar Rohilla, Senior Director, Urban Water & Waste Management, CSE

The officials of BRJP, respective ULBs under AMRUT and UD&HD were also present. Principal Secretary, Urban Development and Housing Department welcomed the committee members. Each agenda item was discussed in the meeting and following decisions were taken:

### Agenda Item No. 1

Bihar Rajya Jal Parishad, the implementing agency for water supply projects placed DPRs of following 02 projects before SLTC for approval:

- (i) Aurangabad Water Supply Project (Phase-II) (SAAP-III).
- (ii) Jamalpur Water Supply Project (SAAP-II).

Third party appraisal of Aurangabad Water Supply Phase-II has been done by BUIDCO.

BRJP officials informed that capital cost for Aurangabad Water Supply Project Phase-I is Rs 29.31 cr and population covered under Phase -I for the year 2020 would be 23961. Thus per capita cost for Aurangabad Water Supply Project Phase -I comes to Rs.12,365.

They further informed that capital cost for Aurangabad Water Supply Project Phase -II is Rs. 123.33 cr. and population covered under Phase- II for the year 2020 would be 96697. Thus per capita cost for Aurangabad Water Supply Phase -II comes to Rs. 12,754.

They also informed that total capital cost for Aurangabad Water Supply Project Phase -I &II(combined) is Rs. 152.96 cr while total population for the year 2020 would be 1,20,658. Thus, per capita cost for combined Phase-I and Phase-II will be Rs.12677.

BRJP officials stated that project cost has increased due to non-availability of appropriate layer of ground water at Aurangabad. Ground water has to be carried from Barun, which is on the bank of river Sone which is situated 20.10 km from Aurangabad. Due to following components, cost of Aurangabad Water Supply Project Phase-II has increased.

*Am*

S.No.	Items	Cost (Rs.)
1.	Trail Bore	14,23,639.00
2.	Raw Water Bus Line	1,46,08,480.00
3.	Clear Water Pipe Line	24,92,23,192.00
4.	"Gangway	14,22,15,269.00
5.	Lifting arrangement for T/W	4,00,000.00
6.	Clear Water Reservoir	83,67,994.00
7.	Intermediate Pumping Station	1,20,82,648.00
8.	MESR	1,41,85,121.00
9.	SCADA	1,33,69,600.00
10.	Clear Water Pump	1,04,48,792.00
11.	Clear Water Pumping Main	1,32,69,012.00
12.	Railway crossing & Road (NH) cutting Permission	2,00,00,000.00
<b>Total</b>		<b>49,95,93,747.00</b>

After excluding the above amount from the capital costs of Aurangabad Water Supply Phase-II, the per capita cost would be  $[(Rs.123,33,09,919 - 49,95,93,747)/96697 = Rs. 7587.70]$

Thus, BRJP justified the project cost for Aurangabad water supply Phase -II as above. Number of household covered under Aurangabad Water Supply Phase-II is 9740.

Since ongoing scheme of Jamalpur Water Supply is being executed by PHED. Hence, third party appraisal has been done by PHED.

BRJP officials informed that Jamalpur Nagar Parishad area consists of 36 wards and the population of this ULB area is 1,05,434 as per census of year 2011. There is an ongoing scheme, which is being executed by PHED which covers wards 1-36 partially. In this scheme Existing WTP (1No.), 1No. UGR(4540 kL), 100000 Gallon O.H.T. (4 Nos.), 10600 m conveying Main of 600 mm dia along with 4975 m of Rising Main(250-500 mm dia) is being used for augmentation and strengthening of existing pipe line to 130 km so as to saturate the entire Nagar Parishad area(Wards-1-36) fully also providing 14605 House connections.

BRJP officials further -

- (i) The estimated capital cost of Jamalpur Nagar Parishad Water Supply Scheme under AMRUT is Rs. 52.74 cr only.
- (ii) Per capita cost as per 2011 Census: - Rs. 6550.00
- (iii) Per capita cost as per 2020 Census: - Rs. 5560.00

Without considering the PHED  
Project costing Rs 29.05 cr  
(Twenty-Nine point Zero Five Crore)

*Am*

(iv) Per capita cost as per 2011 Census: - Rs. 7757.00

(v) Per capita cost as per 2020 Census: - Rs. 7243.00

With considering the PHED  
Project costing Rs 29.05 cr  
(Twenty-Nine point Zero Five Crore)

(vi) No. of household covered in new system: 14605

After detailed discussion, SLTC approved 2 water supply projects tabulated below subject to compliance of general conditions mentioned below the table:

### Agenda Item No. – 3

DPRs of the following 5 parks were put up before SLTC for approval.

- (I) Beautification of Mohan Nagar Park under G.M.C Gaya.
  - (II) Beautification of Kendui Park under G.M.C Gaya.
  - (III) Upgradation & Beautification of Pratap Park in ward No-45 at Arrah town(Phase-III) (SAAP- III).
  - (IV) Development of park at Jehanabad under consolidated SAAP-I, SAAP-II & SAAP-III.
  - (V) Construction & Beautification of Bhairva Park, near University Guest House at Bhagalpur under SAAP-II.
- Third party appraisal of all the above parks has been done by WAPCOS Ltd.

(A). After detailed discussion, SLTC approved development of park at Jehanabad under consolidated SAAP-I, SAAP-II & SAAP-III, as tabulated below subject to compliances of general conditions mentioned below the table:

Sl. No.	Name of the Project	Estimated cost of project approved by Apex Committee (Rs. in cr)	TA given including O&M cost (if any), (Rs. in lakh)	Estimated cost approved by SLTC (Rs. in lakh)		
				Estimated capital cost	Estimated O&M cost	Estimated Total cost

- (viii) User charges should be proposed & agreed by the Municipal Board to recover the O&M cost.

*am*

(B) Following projects were not approved by SLTC.

(i) Total estimated cost for Pratap Park in ward No-45 in Arrah is Rs. 1,01,17,000/- and its area is 2200 sqm with perimeter of 190 m only. The cost per sqm comes to Rs 4598.64. SLTC was of the view that since cost per sqm for upgradation & beautification of Pratap park appeared to be on higher side so the DPR cannot be approved and it should be return to ULB for review.

(ii) Perimeter of Kendui Park, Gaya & Mohan Nagar Gaya is 143.29 m and 130.18 m respectively. Thus, due to small sizes of these two parks, SLTC did not approve the DPRs of these two parks projects at Gaya.

(iii) Representative of Bhagalpur Municipal Corporation could not explain the provision of items of DPR. Hence, SLTC did not approve the DPR of this project.

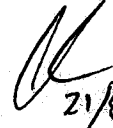

#### Agenda Item No- 4

Proposal to drop two park projects at Dehri was put up before SLTC.

Two park projects amounting to 50.00 lac each under SAAP-I and SAAP-II were approved by Apex Committee. One park near I.T.I., Dehri was approved by SLTC on 15.07.2016 at a cost of Rs. 50.931 lac. This park was also approved by SHPSC on 16.09.2016. Executive Officer, Nagar Parishad Dehri-Dalmiyanagar, vide letter no 1388 dated 10.08.2018, informed that land was not available for construction of park under Nagar Parishad area.

After detailed discussion, SLTC approved the proposal to drop both the park projects at Dehri under AMRUT.

The meeting ended with vote of thanks.
