(A Govt. of Bihar Undertaking)

Ref. No. 5004/18

Date 24.07

To,  
All Nodal Officers (e-Procurement / e-Tendering)  
Government of Bihar

Sub: Updated Rate of Digital Signature Certificate (New/ Renew)

Ref: BSEDC /7250 /17 dated: 17/11/2017

Sir / Madam

This is to inform that the old e-Token hardware issued by the previous vendor is not being supported by the present CA i.e. Capricorn / e-Mudhra. Consequently, we are compelled to issue new e-Token hardware even against renewal of DSc cases.

Therefore, it has been decided to equate the rate of New DSCs with the rate of Renew of DSCs.

Hence, the rate of both (New as well as Renew) DSC will be Rs. 410/- from immediate effect and details is mentioned below:

Sl. No.	Item	Make and Model	BSEDC Unit Rate (Inclusive of all Taxes)	Unit Price (In Words)
1	DSC of Class II validity two (2) years with e-Token (Signing & Encryption)	Capricorn and e-Mudhra DSC & Proxkey token	410.00	Rupees Four Hundred Ten only
2	DSC of Class II of validity two years without e-Token (Signing & Encryption)	Capricorn and e-Mudhra DSC & Proxkey token	410.00	Rupees Four Hundred Ten only

Hence, all user departments are requested to follow the same.

Also the user departments are requested to follow the guidelines for issuance of Digital Signature Certificates issued by the controller of certifying authority (CCA) attached herewith for ready reference.

Yours faithfully

(Kiran Kumar Sinha)  
Nodal Officer
